

## ICAR-CENTRAL AGROFORESTRY RESEARCH INSTITUTE JHANSI-284 003, UTTAR PRADESH

### SWACHHTA PAKHWADA REPORT (23<sup>rd</sup> December, 2022)

On 23.12.2022, a special day i.e. Farmers' Day was organized at ICAR-Central Agroforestry Research Institute, Jhansi. As a part of the event, farmers from Mahoba district of UP and Chhatarpur district of MP and all the CAFRI staff members including RAs, SRFs, JRFs, YPs, students participated to make it a grand success. The sustainable ecology for a healthy living can be maintained with the aid of green technologies and organic farming practices. Therefore, all were encouraged to avoid the use of single use plastics and generate wealth from their farm waste. The farmers discussed the issues with sanitation in rural areas and how village standards have improved recently compared to the previous few years. Program ended with the vote of thanks.
