### **SWACHHTA PAKHWADA REPORT (29<sup>th</sup> December, 2022)**

Swachhata Pakhwara was organized by ICAR-CAFRI, Jhansi on 29.12.2022 at 3:00 pm by visiting community waste disposal sites such as vercompost units and farm yard manure sites at Institute Experimental Farm. As per the Pakhwada manifesto, stock taking of waste management, utilization of organic wastes/generation of wealth from waste, polythene free status, composting of farm/kitchen and home waste materials, clean and green technologies and organic farming practices were discussed in detail. Besides this, cleaning of farm roads and nearest experimental plots were also carried out on the occasion. All the institute employees and farm workers of the Institute enthusiastically participated in the programme.
